Mandarin added to course
guide

CP Programme Candidacy
CP Programme Consultation

2022 Commencement will
honor IB Full DP, IB
Certificates and IB CP
graduates

Stadium turf replacement

Building renovation (500
Wing and) Chieftain
Stadium enhancements

Our Goals

1. Improve daily attendance 90/90 by 2020
2. Expand options for programs with IB
3. Enhance our curriculum with the support of the E2 Initiative
4. Redesign the campus – improve safety, upgrade classroom experiences and athletic facilities.

Objectives

Provide a context for the need to:

1. **Provide relevant post high school options** for graduates. River was selected as one of 100 US High Schools to implement the IB Career Related Programme Diploma in partnership with IB's Excellence and Equity (E2) Initiative. This selection enables staff unique training with global experts to provide school-wide **staff development**. This will ultimately...
2. **Enhance River's** curriculum and add options to River's International Baccalaureate Diploma Programme by investigating a multitude of possibilities for our students to complete the rigorous IB Diploma with options to enter career fields. **AVID/WICOR** strategies continue to root program support. We are delivering on the promise of college and career for every student.
3. **Redesign the campus** which continues to ensure safety, upgrades and 21st century classroom experiences and athletics facilities for River students.

Bond and Remodel Updates
