

IB is designed to help students develop critical thinking and research skills that will facilitate their success both at college and within our larger global society.

The honors program in grades 9 and 10 prepares students for the rigorous course of studies in the 11th and 12th grades. In 11th and 12th grade, students will have the option to participate in the full IB Diploma Program, the Career-related Program, or as an IB Course candidate.

In the Diploma Program, students will take advanced coursework in all 6 subject areas; English, Language Acquisition, Individuals and Societies, Science, Math and Art.

In the Career-related Program, students will take a 2 year sequence of courses in their career pathway and at least 2 IB classes of their choice.

Students are awarded college credit based on their IB exam scores. A list of participating colleges is available at ibo.org.

PROGRAM LOCATION:
Columbia River High School
800 NW 99th St, Vancouver

IB STUDENTS' AVERAGE SCORE ON THE SAT EXAM WAS

147

POINTS HIGHER*
