Mission of Vancouver Public Schools

*Excellence in Education*

In partnership with home and community, Vancouver Public Schools provide an innovative learning environment that engages and empowers each student to develop the knowledge and essential skills to become a competent, responsible, and compassionate citizen.

Message from the Vancouver School Board

To promote a safe, nurturing and beneficial learning environment for each of our students, and to maintain order and discipline in classrooms, playgrounds, hallways, school buses, and school sponsored activities off campus, the Vancouver Board of Directors adopts policies and procedures for administering discipline within each school. These policies and procedures are developed with participation from parents and community. The policies and procedures are designed to involve the parent and student early in the resolution of discipline problems. Annually, the principal and the certificated staff of each school review these disciplinary procedures to ensure uniform enforcement.

Welcome to the 2020-2021 school year! We are returning to school after a spring and summer like no other in history. Some of you are returning to the place you love, while others are joining the River student body for the first time. This year we welcome the Class of 2024 to our CRHS family.

You may know that Columbia River High School has an outstanding reputation for its commitment to excellence. You are now part of our acclaimed programs in academics, extra-curricular activities and athletics. If you have not already, you will quickly sense our commitment to tradition and our strong community.

This fall marks the beginning of our school’s 59th year. This milestone gives each of us an opportunity to both celebrate and reflect on our place in River’s history. Each day you will have a new opportunity to get involved and leave your positive mark in the record books at our school. I hope you push yourself to get involved as a learner, and a positive contributing member of the school. We need you because each of us plays a vital role in maintaining the excellence for which River is known.

River’s mission statement speaks to the ideals of Respect, Integrity, Value, Excellence, and Responsibility. These words demand action. They are words that hold each of us to maintaining high standards; essential to ensuring that all who claim the title, “student of CRHS”, is deserving of such an honor, so I challenge you to put forth your best efforts in all you do.

As a student at CRHS, much is expected of you. Teachers will expect you to be prepared for work in the classroom. Coaches, advisors, advocates and supports expect you to always give your best effort. Make your positive mark in our history this year!

Sincerely,
Alex Otoupal – Principal
@CRHeadofSchool

FROM THE ASB OFFICERS

Hello River!

At Columbia River we pride ourselves on a long tradition of excellence. The students and staff strive to embody CR’s core values: Respect, Integrity, Value, Excellence, and Responsibility. We honor these values through academics, athletics, and all other activities. We represent our school wherever we go, not just in the classroom. CR students share the drive to leave a positive legacy on River, creating a supportive and energetic atmosphere. The strong sense of community at River has nurtured our growth as students and people as we have gone through high school.

Throughout the year, we hope you remember that you have a voice and that your voice matters! ASB is here to serve the student body, but we are also here to work with you in making our school a better place. If you have an idea about how to improve our school, let us know! We want to provide more opportunities for students to contribute; providing new perspectives, ideas, and anything that makes CR a more diverse and positive place. We value your feedback and are here to listen to your ideas and concerns, addressing them in any way we can.

We would like to emphasize that having school spirit is nothing to be ashamed of, especially when representing Columbia River. ASB wants your high school experience to be as enjoyable as possible, so GET INVOLVED! We would love to see you cheering on our talented sports teams at their games, or even joining a club that lets you express your likes and interests. Here at CR there are opportunities for everyone, so take part and do not be afraid to try something new!

We are thrilled and honored at the opportunity to be leading ASB for this school year. We want to make this year as memorable as possible for each and every student and we hope our efforts positively impact the school for years to come instilling a legacy and culture of spirit, positivity, and support!

Sincerely,
Keith Blau and Lucia Ianello

Basic programs established to assist students with disabilities may be provided in regular, learning support, or self-contained classrooms. A number of students are also served by a speech and language pathologist, nurse, occupational therapist and/or physical therapist. Learning support programs are located in every school. Self-contained programs for students needing a higher level of intervention are located at select sites throughout the district. Special early childhood programs are provided for children ages birth to five through the Vancouver Early Childhood Center. Fir Grove Children’s Center and Vista Program provide day treatment for behaviorally disabled students in grades one to twelve.

The center serves students from throughout the Southwest Washington region and is a collaborative effort between school districts and the county mental health system.
Each student in the district's special education program has an Individual Education Program (IEP) specifically designed in cooperation with parents/guardians to meet the student's unique needs. Student progress is shared with parents in written reports and conferences. Upon entering high school, all students and staff work collaboratively with the student and the parent/guardian to develop an individual transition plan designed to assist the student in developing skills they will need to be successful after high school. Questions concerning the program may be direct to the Office of Special Education, PO Box 8937, Vancouver, WA 98668-8937: or call 360-313-1250.

International Baccalaureate (IB) Program

Mission Statement
The International Baccalaureate Organization aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end the IBO works with schools, governments and international organizations to develop challenging programs of international education and rigorous assessment. These programs encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

The IB Diploma Program is one of three programs developed by the International Baccalaureate Organization for students in grades 11-12. The IBO works with 3,861 schools in 140 countries to offer the three IB programs to approximately 914,000 students. All IB World Schools are required to undergo a two-year application process and are re-evaluated every five years to guarantee that the school will share the mission and commitment of the IB. CRHS has been authorized to teach the IB Diploma program since 1993 and is the only IB World School in southwest Washington.

All students are expected to sign and adhere to an honor code. The document sets high standards for academic honesty, classroom behavior, and attendance. It provides both teachers and students an environment in which a commitment to preparing for and learning college level coursework is possible. Students who fail to demonstrate a commitment to the honor code may be removed from their IB or PB courses.

Students who successfully complete the Pre-Baccalaureate Program are eligible to become candidates for the IB Diploma, or Diploma Course students, choosing from any of the Diploma Program options. Completion of the IB Diploma requires students to take six IB classes and complete three core elements – the Extended Essay, a 4,000 word original research essay, Theory of Knowledge – an epistemology course, and Creativity, Action and Service (CAS), an extended, reflective learning experience that takes place over the course of the student’s junior and senior IB years.

Pre-Baccalaureate students who attend CRHS on boundary transfers must remain scheduled as full-time Pre-B students. During their junior and senior years, priority for renewal of boundary transfers will be based on the level of each student’s participation in the IB magnet program, as per district policy. Attendance and discipline will be reviewed.

Junior and Senior IB Diploma candidates and IB Course students register in October for IB exams, which are held in May. Credit for IB Diplomas and Course results are accepted by most colleges and universities worldwide for credit or preferential placement at entrance. In addition, IB courses are excellent preparation for college success.

CR offers IB curriculum in the following areas: English, French, German, Spanish, History, multiple levels of math, Biology, Chemistry, Physics, Psychology, Philosophy, Art, Music, and Theory of Knowledge.

Career Related Pathways

Columbia River High School has been approved to offer the career-related program as a part of the IB pathway options at River starting in the Fall of 2020. The career-related program (CP) incorporates the values of the IB into a career-related pathway.
Columbia River High School will offer career-related pathway options in Computer Science and Digital Arts (Video, Photo, and Graphic Design) in its first year. Students who complete this program are well equipped to enter into apprenticeships, higher education, or directly into employment. Current freshmen and sophomores interested in beginning the program their junior year should check in with Morgan Parker in the Student Pathways Center. Students who have not yet started high school will apply as a part of the magnet application and will be assessed based on interest and motivation, connection to a career-related pathway, written communication skills and interview.

Columbia River High School
IB Honor Code Acknowledgement

The International Baccalaureate (IB) program at Columbia River High School sets high standards for students and teachers under the framework of Respect, Integrity, Values, Excellence and Responsibility. The success of all students engaged in a highly challenging academic program gains credibility and meaning when every student, teacher and parent observes the basic beliefs of academic honesty and the policies of both Columbia River High School and the IB Organization.

The expectation for students enrolled in Pre-Baccalaureate (PB) or IB classes, as well as their teachers, will always be to value and to operate with the ideals mentioned above, as well as in the IB Learner Profile. The IB Learner Profile, a document which is central to the aim of all IB programs, states that IB students will “…act with integrity and honesty…. They take responsibility for their own actions and the consequences that accompany them.”

The Columbia River IB program, along with the IB Organization, expects students, IB teachers, parents and administrators to avoid any form of malpractice. The General Regulations of the IBO clearly state: “Candidates are required to act in a responsible and ethical manner throughout their participation in the Diploma Programme…. Malpractice includes the following: plagiarism, collusion, duplication of work, or any other behaviour that gains an unfair advantage for a candidate or that affects the results of another candidate.”

A PB or IB student is ultimately responsible for ensuring that all work submitted for assessment is authentic, with the work or ideas of others fully and correctly acknowledged. HONOR CODE violations may result in any of the following: Administrative action, parent notification, recommendation for dismissal from an IB class or the program, and/or the inability to obtain a letter of recommendation from an IB staff member. Individual teachers may also impose penalties related to the task or assessment in question that may have a negative effect on a student’s grade. All incidents of malpractice shall be brought to the attention of the IB Coordinator and written reprimand will be placed in the student’s IB file. Multiple infractions will result in the student going before the IB teachers and administrators.

The faculty and students of the Columbia River IB Program are committed to:
- Embracing the value of learning that comes from completing and submitting one’s own work.
- Respecting others’ rights to learn.
- Ensuring that all of the work submitted is authentic and that any sources used are appropriately acknowledged.

As we enter into digital learning, students are reminded that information, either acquired or transferred through digital means, has the potential for violating the honor code. Students are cautioned when submitting work on Canvas or other Learning Management Systems and reminded to correctly acknowledge the work or ideas of others.
We recognize the demanding level of PB and IB courses and pressures associated with each student’s desire to produce his/her very best work. Teachers accept responsibility for providing an instructional environment that encourages teamwork and cooperative learning while at the same time maintaining the integrity of the independent work of each individual student and clearly differentiating between the two. Teachers may utilize outside resources, such as www.turnitin.com, or similar services, to assist them in uniformly enforcing this honor code and educating students regarding proper research and referencing protocol.

**Student Government and Activities**

The Columbia River High School ASB class is made up of the Executive Council (ASB officers), Senior Class Council, Junior Class Council, Sophomore Class Council, and Freshman Class Council. The appropriate class council usually handles matters that affect only one of the classes. The Executive Council acts on, and coordinates matters of school-wide interest.

The Associated Student Body Constitution and Bylaws for Columbia River High School were amended by the Executive Council of 2007-08. The Constitution and Bylaws of Columbia River High School enumerate the principles and procedures under which student government and the student activities program at our school operates. Copies of these documents are available from the associate principal.

**ASB Cards**

Students may purchase an ASB card for $35 that permits them free admission to all regularly scheduled home athletic contests. Students without an ASB card must pay regular adult prices to these contests. The student with an ASB card may save up to $50 in admission prices. Proceeds from the sale of ASB cards contribute to the financial support of the student activities program of Columbia River High School

Testing Information

MANDATORY STATE TESTING MAY CHANGE FOR THE NEXT YEAR. PLEASE CHECK NEWSLETTERS FOR UPDATED INFORMATION. Testing schedules for district and state assessments will be developed for students as needed. Please visit our website for bell schedules such as the 2 hour early release or 2 hour delayed start schedules. State assessments are required and include: Smarter Balanced Assessment (SBAC) and Washington Comprehensive Assessment of Science (WCAS). Other assessments include: ELPA 21/WIDA (Academic Language Learners) and WA-AIM (select students on IEP’s).

PSAT/NMSQT (Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test)
The PSAT is designed to prepare students for the SAT and is therefore a recommended test for all college bound juniors. This is also the assessment instrument used to qualify students for National Merit Scholarship Program. This test may be taken both in the sophomore and the junior years, but only the junior test results are used for National Merit Scholarship purposes. PSAT registration is handled through the Business Office at CRHS approximately three weeks prior to testing. Note the PSAT is only given once a year.

SAT (Scholastic Aptitude Reasoning Test)
The SAT is a globally recognized college admission test that lets you show colleges what you know and how well you can apply that knowledge. It tests your knowledge of reading, writing and math — subjects that are taught every day in high school classrooms. Most students take the SAT during their junior or senior year of high school, and almost all colleges and universities use the SAT to make admission decisions.

SAT Subject Tests
The College Board offers 20 SAT Subject Tests in five general subject areas: English, history, languages, mathematics and science. Each test is designed to measure knowledge in one subject area and the ability to apply that knowledge. Those colleges requiring subject tests use them in selecting students for admission and/or for course placement. Some colleges specify the subject area tests to be taken, but others allow applicants to choose those tests they feel best qualified to take. Students can take up to three subject area tests in one test setting.

SAT Test Dates and Registration
Test dates and registration are available at www.collegeboard.org Information is also available in the Career Center or the Counseling Center. Columbia River’s school code for registration is 481-460.

ACT (American College Testing Program)
The ACT® college readiness assessment is a curriculum- and standards-based educational and career planning tool that assesses students' academic readiness for college. The ACT (No Writing) consists of four multiple-choice tests: English, Mathematics, Reading, and Science. The ACT Plus Writing includes the four multiple-choice tests and a Writing Test. Most colleges and universities require either the SAT or ACT and will accept either for admission purposes.

ACT Test Dates and Registration
Please refer to www.actstudent.org for test dates and registration deadlines. Information is also available in the Career Center or the Counseling Center. Columbia River’s school code for registration is 481-460. Many students choose to take a combination of the ACT and the SAT, begin testing in the spring of their junior year, and retest again in the fall of their senior year. Registration materials for both ACT and SAT are available in the counseling center.

College Credit in High School
RCW 28A.300.118 requires each senior high school to publish annually and deliver to each parent with children enrolled in ninth through twelfth grades, information concerning the entrance requirements and the availability of programs in the local area that lead to college credit, including classes such as advanced placement, running start, tech-prep, skill centers, college in the high school, and international baccalaureate programs.
Advanced Placement and International Baccalaureate (IB)
Students and parents should be aware that any courses denoted in course descriptions by an ‘AP’ (Advanced Placement) at Vancouver School for Arts and Academics, or at Skyview, Fort Vancouver, and Hudson’s Bay High Schools are courses designed to be the equivalent of college level work. This also applies to courses indicating as ‘IB’ (International Baccalaureate) at Columbia River High School. Studies have shown that students who take AP or IB classes are better prepared for college than students who have not participated. The completion of AP or IB courses receives favorable consideration by college admissions offices. Students who successfully pass an AP or IB test may receive college credit at most colleges and universities. Such testing traditionally takes place during May.

Students interested in enrolling in AP classes should consult with their school counselor. For information about applying to the International Baccalaureate program contact Julie Nygaard, the International Baccalaureate Coordinator at Columbia River High School.

Running Start
"Running Start" is another program which can lead to college credit, and it is operated in conjunction with Clark College. Students have the opportunity as juniors and seniors to take courses at both their home school and Clark College. Credits earned count toward both high school graduation and community college degree programs. Anyone interested in enrolling in classes at Clark through this program should consult the Running Start program guidelines available from the high school counselor within the Vancouver School District.

Tech Prep
The Tech Prep program puts high schools students on the pathway to earning a degree from Clark College by allowing them to complete selected Career & Technical Education classes while still in high school. Tech Prep is a partnership between Clark College and Vancouver Public Schools high schools allowing students to simultaneously earn high school and college credits that have been approved through a formal articulation agreement. The following Vancouver Public Schools Career and Technical Education (CTE) courses are articulated with Clark College: Tech Tools for your Future (Columbia River, Fort Vancouver, Hudson’s Bay and Skyview) Child Development/Tutoring (Columbia River, Fort Vancouver, Hudson’s Bay and Skyview), Graphic Design, (full year at Columbia River, Fort Vancouver, Hudson's Bay, Skyview), Culinary Arts (Fort Vancouver), Horticulture, Horticulture Science (Hudson’s Bay, Columbia River, Fort Vancouver) and Medical Terminology and Practice (Fort Vancouver). Career Specialists at each high school serve as the Site Coordinators to work with CTE instructors to encourage students to complete the necessary paperwork to apply for and potentially earn college credit while taking high school courses.

Why Take Tech Prep classes?
- Tech Prep students get a “jump start” on their college education and career plans.
- Tech Prep students save time and money by fulfilling degree requirements while still in high school.
- Tech Prep students are able to bypass entry level college courses when they register at a community college.
- Tech Prep students can use their credits at Clark College or another community college and as an elective or transfer credit to a university. Or, they can enter the military at a higher rank.

How Can A Student Get College Credit Now?
- Enroll in a Tech Prep course and earn a grade of “B” or better.
- During or after completing the Tech Prep course, students are encouraged to register online at: www.techprepwa.org/wa/clark. Students should talk with the Career Specialist for more information.

Tech Prep/Direct Credit is also available for students enrolling in Clark County Skills Center programs. Articulation agreements between the Clark County Skills Center and Clark College include Applied Medical Sciences, Automotive Technology, Construction Technology, Diesel Technology, Electro-Digital Technology, Financial Customer Services, Legal/Medical Office Applications, and Pre-Engineering/Design Technology. Additional local articulation agreements between the Clark County Skills Center and other local colleges include Criminal Justice at Portland Community College, Dental Assisting at Columbia Basin College, Fire Science at Lower Columbia College, and Travel Hotel Management at Mt. Hood Community College.

Student Management Plan

The Vancouver Public School Board of Directors has a strong belief that parents and community be involved in school district programs. State Statute requires that parents and the community be involved in the development of written procedures for student management at each school within the district. These procedures shall be reviewed at least annually by principals and respective staffs. They will assure that all staff work cooperatively toward consistent enforcement and/or reinforcement of student behavior throughout each school as well as within each classroom.

Philosophy of Columbia River High School

The individual has the ability to consider others and a desire to contribute to the well-being of the school and community through demonstrating a sense of social and community responsibility (Washington’s K-12 Social Emotional Learning Standards and Benchmarks; Standard 6, Benchmark 6a). Each person is unique. He/she must view him/herself as important and worthwhile. To do this, he/she must enjoy an environment rich in successful individual and group experiences. Columbia River High School further provides opportunities for everyone to acquire, maintain, and demonstrate competencies (artistic, intellectual, physical and social). Learning is a continuing process of change, both for individuals and for society. Therefore, Columbia River High School provides the opportunity for everyone to understand and participate in the process of change.

Goal Statement

All staff will work cooperatively toward consistent adherence to the guidelines set forth in this student handbook in regards to student behavior throughout Columbia River High School.

Description of System

The principal will approve plans submitted by teachers that complement the learning environment in their individual classrooms. Students will be expected to operate within established classroom rules as well as within the rules and procedures of the Vancouver Public Schools.

All students on a school-wide basis will:

☐ Comply with reasonable requests from any staff member.
☐ Use designated areas of the buildings and grounds for the appropriate activity (student parking lot, restrooms, etc.).
☐ Use all school equipment and facilities appropriately.
☐ Avoid inappropriate conduct such as fighting, unlawful acts, verbal abuse, etc.
☐ Comply with discipline when issued or receive further consequences through progressive discipline.
☐ Attend classes.

Responsibilities:

A. Responsibilities of Administrative Staff

The administrative staff of Columbia River High School will work cooperatively with staff, students, and parents to ensure consistent enforcement and support of the student management system. They will follow district policies and procedures.

B. Responsibilities of Parents

It shall be the parents’ responsibility to cooperate with the school to reinforce efforts to change inappropriate behavior. Parent support is believed to be of the utmost importance. A committee of parents meets annually to review and evaluate the student management system.

* The term "parent" is used to mean a parent, guardian or person having legal custody of a child.

C. Responsibilities of Staff

All staff members have the responsibility of enforcing all procedures of Vancouver Public Schools and Columbia River High School. Staff takes an active part in evaluation and development of the student management system.

D. Responsibilities and Expectation of Students

It shall be the students’ responsibility to maintain
a favorable learning atmosphere that encompasses the whole campus. They will respect the rights and property of others, and will follow the rules and procedures of Columbia River High School and the Vancouver Public Schools.

E. REVIEW OF STUDENT MANAGEMENT SYSTEM
On an annual basis, staff, parents, and students will review the student management system.

Rules and Regulations of Columbia River High School

A. Closed Campus
1. Any student who leaves the school campus unauthorized shall be considered truant and shall be subject to discipline, suspension, or expulsion.
2. A student may be permitted to leave the campus during the regular school hours only under the following conditions:
   A. The student has prior written or oral approval from his/her parent or guardian and clears through the attendance office before leaving.
   B. The student has the prior approval of the principal or designee.
   C. A legally emancipated student may be permitted to leave the campus during regular hours of the school day provided there is valid reason. He/she must check out at the attendance office prior to leaving campus.

B. Off Campus Lunch Passes
   Only eleventh and twelve graders can obtain off-campus passes for the purpose of leaving campus to eat lunch. These passes can be obtained in the Attendance Office or on the student check-in day in August. These passes require written parent approval. Students who are truant or consistently late getting back from lunch will be subject to disciplinary action and/or have their off-campus pass revoked.

C. Campus Restricted Areas
Students are restricted from the following areas during school hours unless permission to enter is obtained from a classroom teacher or administrator: the neighboring church and all parking areas, behind (south and west of) the 500 wing, baseball fields and the greenhouse, the football stadium and grandstand, and the wooded and canyon areas east of the track and tennis courts. Students are not allowed to loiter in parking lots (including the church lot) during class time, during lunches or after school (7th period). DUE TO POSSIBLE THEFT, PE LOCKER ROOMS AND GYM AREAS ARE OFF LIMITS ALL DAY UNLESS A STUDENT IS SUPERVISED BY A STAFF MEMBER.

Building and Classroom Climate
Vancouver Public Schools are committed to maintaining a safe school learning environment to ensure an optimum "learning environment." It is, therefore, the policy of the board of directors that:

A. In cases where student misconduct jeopardizes the safety and welfare of students, personnel, and/or the educational process, appropriate measures shall be used by building administrators to maintain a safe school learning environment. Law enforcement officials shall be contacted in order to assist school administrators when appropriate.

B. Organizations, groups, or individuals that initiate or advocate activities which threaten the safety and well-being of persons or property on school facilities or at school-sponsored events will not be tolerated. Individuals involved in such activities are subject to suspension or expulsion and/or arrest by law enforcement officials.

Disruptive Conduct
Conduct which materially and substantially interferes with the educational process is prohibited. Appropriate corrective action (discipline) will be taken by the superintendent or designee to nullify such conduct. (This may include dress, clothing and attire).

Bullying, Harassment or Intimidation
Please see the extensive Vancouver Public Schools policy on bullying, P5159.6, which is in the back of this book in the District section.
Profanity and Vulgarity
Any student who uses profane, lewd or obscene speech or engages in vulgar behavior on school property or at school-sponsored activities or events may be subject to disciplinary action.

Damage and Destruction of School Property
Whenever necessary and feasible in order to assure financial restitution for damage to or loss of school property, or willful vandalism or theft, including interruption of electronic services, the school shall withhold the diploma and official transcripts of the responsible student from:

A. the student,
B. the student's parent(s),
C. post-secondary educational institutions,
D. the student's employer or prospective employer,
E. any other person or entity except as provided below.

If the student has not paid a fine or fee and enrolls in another school district, the school shall withhold the student's official transcript, but shall transmit information about the student's academic performance, special placement, immunization records, and records of disciplinary action. If the information is requested from an enrolling school, it shall be transmitted within two school days after receiving the request.

When an official transcript is not sent due to unpaid fees or fines, the enrolling school shall notify the student and parent that the official transcript will not be sent until the obligation is met, and failure to have an official transcript may result in exclusion from extra-curricular activities or failure to graduate. Such records will be held until the school has received payment for the damaged or lost property. The student's grades, transcripts, and diploma may not be withheld from the Department of Social and Health Services (DSHS) or a child-placing agency licensed by DSHS, if DSHS or the agency has custody of the student and requests the records.

When the student and parent(s) are unable to pay for the damages, the school district shall provide a program of voluntary work for the student in lieu of the payment of monetary damages. Upon completion of voluntary work the grades, diploma, and transcripts of the student shall be released.

Prohibition of Firearms and Dangerous Weapons
Guns, look alike guns, any kind of knives, laser pointers, clubs or other weapons are never to be brought to school by anyone. If a student does bring them to school or to a school event, it could result in emergency expulsion, suspension, expulsion, and/or arrest.

Sexual Harassment
Sexual harassment is any unwelcome and sexually oriented verbal, written or physical advances or conduct received by one student from another person (student or adult) in school, on the bus, or at school-sponsored/related activities. Conduct is viewed as sexual harassment when it has the purpose or effect of interfering with a student's school performance or creates an intimidating, hostile or offensive environment as perceived by the victim.

Corrective Action - If a student believes he/she is the victim of sexual harassment, he/she has the right to tell the offender to stop. If the victim is uncomfortable, cannot initiate this action or if the offender persists, the student should report this to a school administrator and/or counselor. The student will be asked to complete a Harassment Report Form available in the main office or counseling center. An investigation will be promptly conducted. Vancouver Public Schools' procedures regarding sexual harassment are included in the back section of this handbook.

Attendance
All students enrolled in Vancouver Public Schools are expected to be at school and in class on time.

Excusing an Absence
Absences may be excused for the following reasons (P3122):
Illness, a doctor’s note is required if a student is ill for five (5) or more days in a month, unless the principal, for good cause, waives the requirement;
Health care appointments; Emergencies, including but not limited to a death or illness in the family; Religious or cultural activities, including observance of a religious or cultural holiday or participation in religious or cultural instruction; Participation in a district or school approved activity or instructional program as approved by the principal; Deployment activities of an active duty military parent or guardian; Visitations for apprenticeships, technical school, post-secondary education, or scholarship interviews; Prearranged absences that the principal (or designee) and parent agree upon on approved activity. The school cannot excuse absences for trips taken by students unless these trips involve direct supervision by the school or the family.

Absences must be excused by a parent within three days after the student absence in one of the following ways:
- Send an e-mail to river.attendance@vansd.org; or
- Calling the attendance line at 360-313-3920; or
- Enter the absence into Skyward Family Access; or
- Send a written note to the attendance office

If a student is eighteen (18) years or older, or is legally emancipated, the procedures for the parent in this regulation may be exercised by the student.
It is the responsibility of the student or parent to arrange for any needed make-up work.
Unexcused absences will result in an automated phone call notifying the parents of the absence.

Truancy
Children between the ages of 8 and 18 years of age are required to attend school. Truancy is when a student is not in school and the absence is unexcused.
After three (3) unexcused absences, the school will schedule a conference with the student and parent.
No later than the student’s fifth (5th) unexcused absence in a month the district will enter into an agreement with the student and parents that establishes school attendance requirements.
At some point after the second (2nd) and before the fifth (5th) unexcused absence, the district will take data-informed steps to eliminate or reduce the student’s absences. These steps will include application of the Washington Assessment of the Risks and Needs of Students (WARNS) or other assessment by the district’s designated employee.
After seven (7) unexcused absences in a month, or ten (10) in a year, the student will be referred to the Office of Student Welfare and Attendance to file an initial petition with the court.

Tardy Policy
A student is tardy when he/she enters the classroom after the tardy bell and within the first fifteen (15) minutes of class time. It is considered an unexcused absence if the student is more than fifteen (15) late to class and will be marked with the code of “V” in the attendance. Teachers will track students with excessive tardies and report to administration by following a plan as is written below:

1st tardy: warning
2nd tardy: warning and parent contact
3rd tardy: detention with teacher with parent notification
4th tardy: detention with teacher or security with parent notification
5th tardy and above: referral to administration which will result in Friday School.

Departing Early
Students are expected to remain on campus from the time of arrival until excused. Students who ride the bus are to remain on campus once they arrive.
Students who need to check out early for illness or appointments must report to the attendance office BEFORE leaving campus. Failure to do so will result in truancy, regardless of later returning to school with a note from a parent. Parents coming to pick students up from school must check in at the main office.
Students who are eighteen (18) may sign themselves out, but unless they are legally emancipated, parents will be contacted to ensure the safety of the student.
Attendance Codes:
U-Unexcused Absence
T-Tardy
V-Student arrived more than 15 min late or departed more than 15 min early
D-Departed Early
O-Discipline related absence
I-In-school suspension
S-School excused absence
E-Excused Absence

Students who leave the campus during the school day, must report to the Attendance Office to be dismissed before leaving or they will be truant, even if they bring a note when they return.

Attendance and Expectations at Assemblies
Assemblies are held regularly and attendance is mandatory for all students.
In an assembly we follow the River ideals:

Respect - Respect speakers by not talking over them Respect the National Anthem (stand, hats off, quiet)
Integrity - Show integrity by monitoring your own behavior and digital routines
Value - Value the work of your fellow students; do not destroy decorations
Excellence - Honor and share the excellence within our community (applaud and show spirit when appropriate)
Responsibility - Be responsible and stay seated

Attendance at Extracurricular Activities
Extracurricular activities are experiences that occur outside of school time and may or may not be held on the school campus. Examples are athletic contests, dances, field trips, and out-of-town trips. Students at school-sponsored on and off campus events shall be governed by school district rules and procedures and are subject to the authority of school district officials. Participating students agree to:

- Display appropriate behavior at all times.
- Use appropriate language or gestures
- Act as an ambassador for his/her home school and community.
- Refrain from misconduct while traveling to and from conferences/competition.

For breaches of conduct, disciplinary action will be administered.

Consequences for not following guidelines:
First Offense: Immediate removal from the activity and/or suspension from attending all extracurricular school activities for up to 20 school days.
Second Offense: Immediate removal from the activity and/or suspended from attending all extracurricular school activities for the remainder of the school year.

The school administration reserves the right, in certain instances, to immediately move to step 2 if warranted, depending on the serious nature of the student misconduct.

Dress & Appearance Guidelines
The following guidelines for student dress and appearance are provided to ensure a positive, safe and non-disruptive school climate, thereby enhancing learning.
The guidelines are in addition to Dress and Physical Appearance, which states that if a student’s dress and/or physical appearance disrupts the educational process or threatens the health and/or safety of the student or others, the designated building administrator will ask the student to refrain from wearing such apparel, jewelry, accessories or using such manner of grooming while at school or school-sponsored events or be asked to call home to get a change of clothing.

Vancouver Public Schools prohibited dress or physical appearance specifically includes, but is not limited to:
- Displaying lewd, sexual, drug, tobacco or alcohol-related messages in clothing and head gear.
- Wearing apparel that indicates gang affiliation as reported by the Gang Task Force or law enforcement agencies (students may not wear bandanas).
♦ Exhibiting a bare midriff, underwear or backless/sideless clothing.
♦ Wearing shorts/skirts that are shorter than the wearer's fingertips when arms are hanging down.
♦ Writing or designs on clothing or body that discriminate on basis of sex, race, religion, national origin, disability, or gender orientation.

**Dress and Appearance**

Appropriate dress is an expectation at Columbia River High School; we encourage students to practice dress standards that will be expected in the future workplace. Inappropriate dress or appearance which causes a disruption of the education process, or presents health/safety problems, is not permitted. Our student dress code is designed to accomplish these goals:

- Ensure that all students are treated equally regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.
- Allow students to express themselves in school appropriate ways with clothing as long as that clothing choice doesn't interfere with the school dress code.
- Allow students to wear clothing that expresses their self-identified gender or to wear religious attire without fear of discipline or discrimination.
- Prevent students from wearing clothing or accessories with offensive images or language, including profanity, hate speech, and pornography.
- Prevent students from wearing clothing or accessories that denote, suggest, display or reference gangs, alcohol, drugs or related paraphernalia or other illegal conduct or activities.
- Prevent students from wearing clothing or accessories that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Prevent students from wearing clothing or accessories that reasonably can be construed as being or including content that is racist, lewd, vulgar or obscene, or that reasonably can be construed as containing fighting words, speech that incites others to imminent lawless action, defamatory speech, or threats to others.

In accordance with the Vancouver Public Schools guidelines, the following guidelines are expectations at Columbia River. If any situation relative to dress or appearance arises that is not specifically covered in the dress code, building administrators shall have the authority to make decisions on appropriateness of the attire in question.

- All outer garments such as shorts, dresses, or skirts must be below fingertips of extended arms while standing upright.
- Pants are to be at the waist – no sagging.
- Shirts are to be worn at all times. Strapless shirts are not allowed.

Any student wearing, carrying or displaying gang-related apparel or exhibiting behavior or gestures which symbolize gang membership, or causing and/or participating in activities which intimidate or otherwise place other students in fear of personal safety shall be subject to discipline. The Vancouver School Board expects the Columbia River staff to monitor and supervise student behavior and dress. If an adult staff member determines that a student’s choice of attire is inappropriate for the school setting, the student will be expected to change or alter their attire. A decision not to comply with an adult staff member’s request will result in an immediate referral to the Principal or the Principal’s designee. School staff will be trained and able to use respectful language to address the dress code and to address violations; students are expected to use respectful language with staff if problems arise. When dress code is in doubt, ask an administrator. Students who are inappropriately dressed will be asked to change or call home for a change of clothes. Students who feel they have been subject to discriminatory enforcement of the dress code should contact an administrator or counselor.

**Hall Passes**

If you give your student(s) permission to be out of your classroom, they must have an official CR lanyard (bathroom use) or hall pass (used for the Media Center, Counseling Center, Admin, etc.). CR lanyards are to be worn and visible in the hallways. Hall Passes are to be properly and completely filled out for the circumstances of which the student is given permission to leave. Students should not access the vending
machines or the business office during class time. The exception to the Passes Required rule is for a student who is experiencing an emergency medical need. In this circumstance the student is to be escorted to the office (never leave them alone) and you are to contact the front office (if you are not escorting them personally) to notify them to expect that student.

**Media Center Rules**
- Come with a pass and purpose: research, study, read, work on homework.
- Show respect for yourself, other people, and Media Center property.
- Follow school rules and district internet policies.
- Use quiet voices.
- No eating, drinking, or computer games in the Media Center.
- No headsets, electronic devices, or cell phones during school hours.

**Parking Rules**
All students who drive and park on Columbia River’s campus must register their car and obtain a parking permit. This is done in the Attendance Office during student check-in in August. Parking permits will not be issued until the permit form is completely filled out and any applicable fees are paid. A limited number of senior passes for access to the west lot are only available to seniors. Seniors may also park in the open spaces in the front (East). Juniors can only park in the front lot. Due to lack of space, sophomores will not be allowed to park in any of the Columbia River lots.

The following guidelines are to be followed by students using parking areas provided by the school.

1. Have car insurance
2. Register with the Attendance Office
3. Permit must be clearly visible
4. Park ONLY in designated student parking lots
5. Observe the 10 mph speed limit while driving on school grounds
6. Squealing or smoking tires, leaving rubber on the blacktop, or other displays of reckless driving will result in disciplinary action and possible loss of parking privileges
7. Parking in red fire lanes at any time will result in discipline and could also subject the driver to a $250 fine by the county sheriff
8. No one may ride in the back of a pickup or on the body of an auto while on school property
9. There will be a $1.00 charge for lost parking permits
10. Students will be asked to move their cars if they park in staff parking or where it is not allowed. If this continues, loss of parking privileges could occur.

**All vehicles are subject to search with a reasonable cause.**
All cars should be locked, and no items of value should be left in cars. The school will not assume responsibility for damage to a car or theft of personal property. When a student registers a car with the school, the student is agreeing to follow all of these guidelines and rules. All cars driven to school need to be registered.

**Violations of Parking Rules:**
First Violation: Citation and Friday school may be assigned. Further violations may result in progressive discipline including but not limited to loss of parking privileges.

**Senior Schedule Requirements**
Vancouver Public Schools policy requires seniors to take at least five classes per semester.

**Items Prohibited at School**
- Squirt guns
- Choker chains
- Knives
- Water balloons
- Pepper spray
- Masks
- Snowballs
- Handcuffs
- Anything that has to do with gangs and/or drugs
- Stink bombs
- Stun guns
- Weapons of any kind and their look-alikes
- Lasers
- Pointed Studs

Any items used in a way that is dangerous or disruptive are also prohibited. Any item that disrupts the educational process will be confiscated.

22
Electronic Devices (Cell Phones & Games)
These items can only be used during lunch, before school, and after school. They can only be used or visible during class time at a teacher’s discretion. A student who does not cooperate may have his or her electronic device confiscated and returned either to the student or to the parent (at administration’s discretion). Text messaging is not allowed during classroom or other instructional time. We ask that parents refrain from calling/texting your student(s) during school hours. If there is an emergency, the main office should be contacted.

School Visitors
While we urge parents/guardians to visit our school, other visitors may not come on campus. We will not issue visitor’s passes to friends of students for social or family reasons. For the safety of all students, and in order to be consistent, no visitor’s passes will be issued. Exceptions may be made where there is an educational reason for visiting. These visits require 24-hour notice to the teachers involved, a conference with an administrator, and a call from parents.

A Closing Comment on Behavior
Because we are working with adolescents who are also human beings, rules and consequences do not always fit as easily and appropriately as planned. Therefore:
• Professional and caring judgment will be used by staff members in working with our students.
• Throughout a school year there are things that happen that are not included within the overall rules of the school or classroom and are not covered directly in this student management plan. It is expected that our students have, and will show, common sense in dealing with unique situations.
• Parent and student input into this student management plan is always acceptable and encouraged.

Additional Information
Valuables
Valuables and money are brought to school at a student’s own risk. We recommend that valuables are not brought to school. This includes expensive jewelry and clothing, large amounts of money, cell phones, and electronic games. The school is not responsible for the loss of these items.

Emergencies
In the event of any emergencies, the following will hold true unless otherwise informed. The signal used for emergencies is an announcement or computer alarm. An announcement will be made with appropriate instructions. CRHS follows district, county and state guidelines about emergency situations and practices emergency protocols on a regular basis.
Students:
  1. Follow the directions of teacher and administrators.
  2. Stay with the class or group.
  3. Do not leave campus at any time during emergencies unless told to do so.

Flowers, Gifts or Balloon Deliveries
We realize the importance of showing someone you care, but please do not have flowers/gifts or balloons sent to students at school. They will not be delivered to classrooms and school bus drivers will not allow students on the bus with balloons or any glass containers. We will not deliver messages or any product unless it is an emergency situation.
VPS 1:1 TECHNOLOGY
RESPONSIBLE USE AND SAFETY AGREEMENT

PURPOSE: Vancouver Public Schools (VPS) may issue students a one-to-one (1:1) technology device that can be used both at school and at home as a means to promote achievement and provide flexible learning opportunities. This agreement outlines VPS expectations for students and families issued a 1:1 device. In addition to this agreement, the use of district-provided technology requires students to abide by the VPS Technology Use Guidelines as stated in the Student Code of Conduct.

VPS expects that students will use district issued equipment responsibly. This agreement will help you understand the appropriate use of both the technology and district network resources. VPS also expects that students will make a good faith effort to keep their 1:1 device safe, secure, and in good working order. This agreement includes the following specific responsibilities and restrictions.

Student Expectations:

1. Charge your 1:1 device at home every night and bring it to school each day with a full charge.
2. Communicate Responsibly! Electronic communication must be conducted in a professional and academic manner, using appropriate language, and avoiding profanity and offensive or inflammatory speech.
3. Back up important files regularly. VPS maintains 1:1 devices with periodic updates. Students should save files in online storage to avoid accidental loss of data. VPS cannot guarantee data loss will not occur and is not liable for such loss. Ask for assistance if you do not know how to backup your files.
4. Use technology for school-related purposes only. Use for commercial or political purposes is prohibited.
5. Follow copyright laws and fair use guidelines. Only download/save music, videos, or other content related to specific assignments. Do not use your device to store personal digital content.
6. Make your 1:1 device available for inspection by any administrator or teacher upon request.
7. Keep the device in its school issued case (if applicable).
8. Return the device to school promptly if you un-enroll from the district!

The following activities are prohibited:

1. Do not mark or deface your VPS issued 1:1 device or case. Defacing includes the use of stickers or tape.
2. Do not loan your VPS 1:1 device, charger, or cord to anyone; do not leave your device in a vehicle or unattended at any time, and do not eat or drink while using your device.
3. Do not attempt to change or bypass the internet filtering, security, network/wifi settings, or any other device settings, including the installation of games or other unauthorized software.
4. Do not attempt to access systems beyond your authorized access. This includes sharing your account password for any system with others, or using another person’s account and/or password.
5. Do not attempt to locate, view, share, or store materials that are unacceptable in an academic setting. This includes, but is not limited to, pornographic, obscene, racist, graphically violent, or vulgar images, sounds, music, language, video, or other materials. The criteria for acceptability is demonstrated in the types of material made available to students in district provided learning materials & resources.
6. Do not take pictures or videos of other students or staff without their permission.

Hacking: Please note that “hacking” of any type, including the intentional introduction of malicious software (viruses), attempts to gain unauthorized network or system access, or attempts to disrupt normal network traffic, will result in district discipline and may lead to criminal charges.

Student Safety:

1. Students should not intentionally reveal or post identifying personal information, files, or communications to unknown persons through email or other means.
2. Bullying or harassment, including personal attacks or threats toward anyone using online resources, is strictly prohibited and may lead to criminal charges. If you are aware of bullying or harassment, please report it to responsible school personnel.

3. All student 1:1 computing devices are configured to filter internet content and communications at school, at home, and on any other network.

4. While internet filtering is intended to restrict access to inappropriate or non-educational content, the district cannot guarantee that students will not intentionally or unintentionally access content that may be deemed unacceptable. If you access inappropriate content on your device, report it to school staff immediately.

5. The electronic communications, activities, and files created and/or accessed on district technology are not private and are subject to being viewed, monitored, and/or archived by the district at any time.

Parental/Guardian Monitoring Responsibility:
Despite the filtering measures detailed above, parents and/or guardians assume responsibility for monitoring their student’s activity on district-issued devices and accounts during non-school hours and on non-student attendance days. Users are responsible for the appropriate use of the device and all accounts, applications, and services.

If information is collected that indicates activity outside of the acceptable use, that information will be reviewed with the student and/or parent/guardian during normal school business hours.

IMPORTANT SAFETY NOTE: Information obtained by school district officials, after school business hours, suggesting or indicating imminent danger to a person(s) will initiate a 911 report upon receiving that information. Building administration will contact the parents/guardians on the next school business day regarding the matter.

Fiscal Responsibility: The district strives to limit the financial responsibility for families of students issued 1:1 devices. In cases of accidental damage, a 1:1 device will be repaired up to two times per year at no cost to the family. If the device is lost or stolen, and the school determines that the student is not at fault, the replacement fine is $99.00. If a device is damaged, lost, or stolen due to willful negligence, the family may be responsible for the full cost to repair or replace the 1:1 device. A police report must be filed by the family for all devices stolen when off campus.

By signing this document, you agree to abide by the conditions listed above and assume responsibility for the appropriate and safe use and care of VPS district-issued technology. You understand that should you fail to comply with the terms of this agreement, access to 1:1 technology, the internet, and other digital content or services may be limited. Students may also be subject to disciplinary action as outlined in the VPS Student Code of Conduct.
